# INDUSTRY-INSTITUTION SUMMIT 7.0

Industry-Institution Summit 7.0 was inaugurated by Dr. Subramani Ramakrishnan, Country Head, UPS India Technology Centre, Chennai. The events organized were Panel Discussion on “CyberSphere 2025: Securing the Digital Tomorrow”, Project Expo, Workshop on SILVACO and Ideathon.

# INDUSTRY-INSTITUTION SUMMIT 7.0

Industry-Institution Summit 7.0 events on day 2 were Panel Discussion on  
“Building the Next Semiconductor Powerhouse: India’s Role in the Global Supply Chain”,  
Workshop on PUF hardware security primitives and Hackathon.

# GUEST LECTURES

**Mr. D. Ram Kumar Project Manager  
Dellner Bubemzer India Pvt Ltd | 10.12.2025  
Dept of Vedic Mathematics**

**Ms. Shreaya Bhaskar Project Associate Indian Institute  
Of Technology–Madras (IIT–Madras) | 13.12.2025  
Dept of Sustainable Engineering and Bioscience**

# GUEST LECTURES

**Dr. V. REGINA. Principal CSI Bishop New Begin College  
of Education, Mylapore, Chennai - 4 | 11.11.2025  
Dept of Vedic Mathematics**

**Thiru A. Murali General Manager - R&D, ZF Commercial Vehicle Control Systems Ltd, Chennai | 13.12.2025  
Dept of Manufacturing**

# GUEST LECTURES

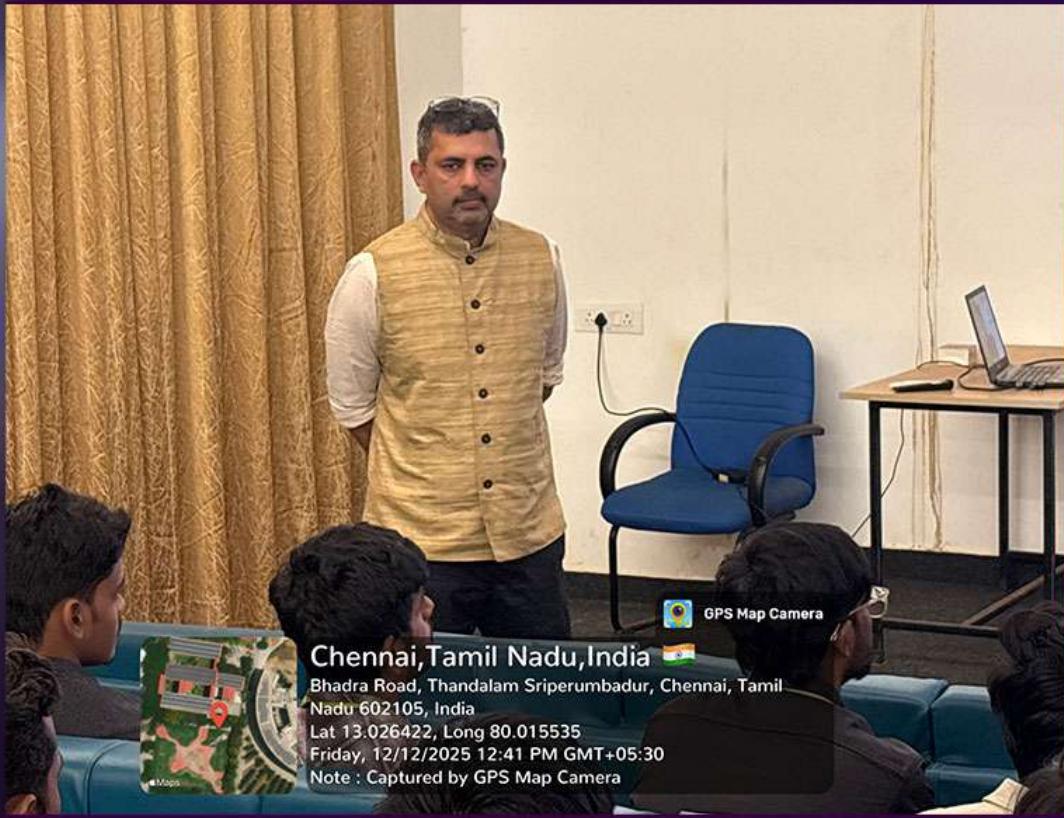

**Mr.R.Navin Kumar, HSE manager, Nokia solution and networking | 18.11.2025**  
**Dept of Sustainable and smart manufacturing**

**Mr.Sasikanth V , Founder & CEO of Minchronix Minchronix | 10.12.2025**  
**Dept of Wireless communication**

# GUEST LECTURES

**Dr. Sajan Mathew Professor Alliance School of Business  
Karnataka | 12.11.2025  
Office of International Affairs**

**Mr. Suresh Govindhan, UX Designer / User Experience Specialist Zifo, Chennai. | 13.12.2025  
Dept of Networking**

# GUEST LECTURES

**Mrs. Padmavathy Krishnamoorthy, Senior Overseas Education Consultant, (IMIMS) | 17.11.2025**  
Office of Nanobiomaterials

**Mr. Ganesh Kumar (TAFE) General Manager Tractors and Farm Equipment Limited (TAFE) | 17.12.2025**  
Dept of Quantitative Engineering and Employability Skills

# INVITED TALKS

## Letter of Appreciation

This is to certify that Dr.R.Saravanan, Professor and Head, Department of Smart Materials, Institute of Mechanical Engineering, Saveetha School of Engineering, Saveetha Institute of Medical and Technical Sciences, Chennai, has delivered an expert lecture as a Resource Person during the Five-Day Virtual Faculty Development Program on "Recent Research Trends in Mechanical Engineering", organized by the Department of Mechanical Engineering, held from 08.12.2025 to 12.12.2025.

His valuable insight and expert knowledge shared on 10.12.2025 significantly contributed to the enrichment of the program and were highly appreciated by all the participants. We extend our heartfelt thanks and appreciation for his esteemed presence and contribution.

### SIMATS Engineering Wins Smart India Hackathon 2025

CHENNAI, Dec 16: Students of SIMATS Engineering have won the Smart India Hackathon (SIH) 2025 and a cash award of Rs 1.5 lakh, for their technology-driven solution developed for the Government of Sikkim's Tourism Department.

The winning project addressed the official problem statement titled "Digitize and Showcase Monasteries of Sikkim for Tourism and Cultural Preservation." The challenge witnessed participation from multiple teams across the country, reflecting strong national-level competition. Following a rigorous multi-stage evaluation process, only five teams were shortlisted for the grand finale, where the SIMATS Engineering team emerged as the overall winner.

The SIMATS students developed a comprehensive digital platform focused on cultural preservation, tourism accessibility, and visitor security. The solution digitised monasteries using immersive 3D models and 360-degree virtual walkthroughs, and digital access to historical manuscripts. An AI-

supported by VR integration, enabling remote access to heritage sites.

To enhance security and monitoring, the platform incorporated location-based access features. Addressing connectivity limitations in remote and hilly regions, the solution also enabled offline and anywhere-access functionality, ensuring uninterrupted availability of content.

The jury commended the SIMATS team for the solution's technical depth, scalability, and real-world deployability, noting its effective integration of heritage conservation with modern tourism infrastructure.

In addition, the platform integrated end-to-end tourism services, including transport booking, accommodation reservations, monastery entry ticket booking, and digital access to historical manuscripts. An AI-

powered tour planner, developed using agentic AI principles, provided personalised travel itineraries aligned with user preferences.

Congratulating the team, SIMATS University Chancellor Dr N M Veeraiyan said the achievement reflects the institution's strong emphasis on experiential learning, innovation-led education, and empowering students to solve real-world problems through technology.

The victory marks a significant milestone for SIMATS Engineering, reinforcing its growing national reputation for hands-on learning, industry-integrated curriculum, and student-driven innovation.

### Suggestions to Parents

Dear parents,

Greetings from Saveetha School of Engineering !!!!

Leet Code Rank : 1,779,947

Strength: Obedient

Weakness: Introvert

Aim: To secure a good placement

This Week Progress : Completed No Certificates.

**Important Note:** Kindly ensure that all your mentees report in person for their SPIC registrations as scheduled: SPIC1: 15th December SPIC4: 16th December. Please confirm that they attend without fail and submit their hall tickets the next day.

**Students should be enrolled in any one of the following courses:** PDD, Internship, or Elective. All students are required to register for the supplementary examination and clear all pending courses. Students must be fully prepared with all relevant proof/documents for the GRB.

| GRB -Components |  |
|-----------------|--|
| 1               | CGPA                                   |
| 2               | PDD                                    |
| 3               | Research Project                       |
| 4               | Internships                            |
| 5               | Professional Certifications            |
| 6               | Foreign Language                       |
| 7               | Conferences (National & International) |
| 8               | Hackathon (Internal & External)        |
| 9               | Competitions (External & Internal)     |
| 10              | MOOC courses                           |
| 11              | Capstone Projects                      |
| 12              | Awards (Academics/Non-Academics)       |
